[Docket No. FMCSA-2017-0342]

Hours of Service of Drivers: Application for Exemption; SikhsPAC and the North American Punjabiz Trucker Association

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of application for exemption; request for comments.

SUMMARY: FMCSA announces that it has received a joint application from SikhsPAC and the North American Punjabiz Trucker Association (applicants) on behalf of their members for an exemption from the electronic logging device (ELD) requirements. The exemption would allow members involved in segments of America's agricultural transportation industry to delay using ELDs. The applicants expressed their concerns about how the ELD mandate would negatively impact their industry if the exemption is not granted. According to the applicants, granting the exemption would achieve a level of safety equivalent to the level achieved by the ELD mandate. FMCSA requests public comment on the applicants' application for exemption.

DATES: Comments must be received on or before [INSERT DATE 30 DAYS AFTER PUBLICATION IN THE FEDERAL REGISTER.]

II. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315 to grant exemptions from certain parts of the Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must also provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted, and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The decision of the Agency must be published in the Federal Register (49 CFR 381.315(b)) with the reasons for denying or granting the application and, if granted, the name of the person or class of persons receiving the exemption, and the regulatory provision from which the exemption is granted. The notice must also specify the effective period and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

III. Request for Exemption

In addition to this exemption request, applicants have filed a request for a delay in ELD enforcement and a request for an ELD waiver. Those issues are being addressed through separate processes and will not be discussed further in this notice.

The applicants request an exemption from the ELD requirements on behalf of their members (fresh produce shippers and small truck businesses). According to the applicants, many of their members are not fully prepared to meet the December 18, 2017, compliance date. Additionally, the current ELD retail marketplace does not accommodate the needs of the applicant's industry segment, and does not factor in existing HOS exemptions currently used by members. The applicants question whether any ELD self-certified device would fully function given the lack of access to broadband in many rural areas. The applicants also expressed their concern about ELD security against cyber-attacks, enforcement, cost, and training.

The applicants assert that the exemption, if granted, would give the marketplace time necessary to develop cost-effective and practical solutions for the specific needs of impacted stakeholders and would allow FMCSA to properly address necessary training

programs with compliant ELD options. The applicants believe that if the exemption is not granted the ELD rule will cause significant challenges and harm to fresh produce shippers and small truck businesses. According to the applicants, granting the exemption will achieve a level of safety equivalent to the level achieved by the ELD requirements.

A copy of the applicants' application for exemption is available for review in the docket for this notice.
